

The Confirmation Stole

1. Have a plan of your stole worked out so you will know what you need when you buy your materials.
2. Purchase 1/4 yard of felt in the color of your choice (Remember, it will be going over a white robe). Buy a little more material if you wish to tailor it - make it curve slightly at the top at the back of the neck, and making a center back seam.
3. Places to purchase the felt include: Wal-Mart, And Sew On, JoAnn Fabrics, JoAnn Etc.
4. The stole should be 6" wide and 72" long. This way you will have 36" on either side of your neck when you wear the stole.
5. Your felt pieces can be glued on. If you wish, you can sew them on and get a really professional look. Don't be afraid to use trims, buttons, fringes, markers, etc. to customize your stole.
6. Print your name on the back of your stole at the neck (facing out) so it can be read by someone behind you.

Right Side When Worn:

On this side of your stole, put symbols of your faith and what is important to you about your relationship with God.

For Example:

Creation

flowers

rainbow

mountains

Holy Spirit

dove

Baptism

water

Trinity Logo

A Bible

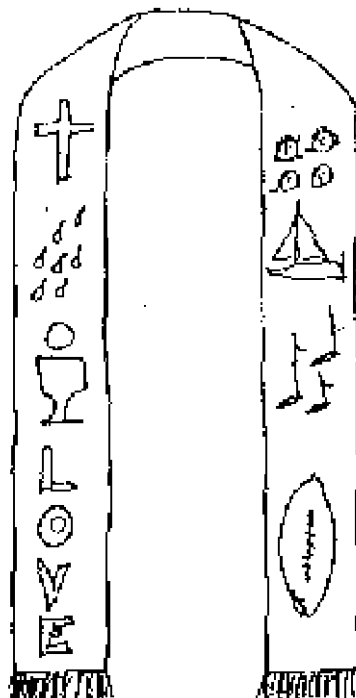

A cross

Words

faith

hope

love

Left Side When Worn:

On this side of your stole, put symbols of your family, your hobbies, special interests, job, etc.

For example:

Faces representing your

Family

Musical instrument

Car

Football, baseball, etc.

School logo

Skis

iPhone

Favorite Book

Musical Notes

Computer
