SUNDAY FAITH FORUM:

Dr. Peter McLellan, ELCA Hunger Education Program Director TODAY! Sunday, Sept. 29 | 10 am | River Room

For fifty years, Lutherans have taken action to address the root causes of hunger and poverty around the world through ELCA World Hunger, grounded in God's promise of a time when we will hunger and thirst no more. As part of the long tradition of the church meeting human needs, ELCA World Hunger is a testament to our hope and our commitment for this church to be part of God's transformation of the world. Peter will share his work in curriculum development through the ELCA which makes space for diverse learning communities to tell their own stories of growth, and integrates anti-racist pedagogy, universal design for learning (UDL), and his doctoral work in Bible and Cultures to cultivate ethical learning environments. ALL-IN EVENT: Trinity's Land Story with Jessica Intermill Wednesday, Oct. 2 | 6:45 p.m. | River Room

Join us for Dinner Church—community meal and worship—at 5:30 p.m. prior to this all-in event. Trinity's racial justice team has engaged a consultant to uncover the specific history of the land currently owned by our church in downtown Stillwater and at our drive-in property in Houlton, Wisconsin. Join us for a special presentation by Jessica Intermill, owner of Intermill Land History Consulting to learn more about Trinity's land story. Jessica is an attorney that has fought for tribal nations' treaty rights and advised them in governance work for more than a decade. Knowing the history of the land informs our relationships today. Everyone is invited to this all-in event and it is the Confirmation curriculum for the evening. This content is appropriate for ages 12 and up, supervised open gym will be provided for younger children. Read more at: <https://trinitylc.org/learning/all-in-events/>
